

## **Kenya Numan**

Kenya Numan, born and raised in N.Y., NY, USA. She graduated sum cum laud with a BS degree in Biochemistry from CCNY of CUNY and attended UCSF School of Medicine. Upon graduation from UCSF she completed an Obstetrics & Gynecology residency at the Kaiser Foundation Hospital in S.F., CA. During the subsequent fifteen years, as attending physician in the department of Obstetrics and Gynecology at the Alameda County Medical Center, Oakland, CA, she served an ethnically diverse, lower income and indigent community as well as training young physicians and clinical research. Currently Dr. Numan is director of Women's Health at La Clinica Monument in Pleasant Hill, CA and serves as medical director of Health Babies Project, Inc., Oakland, CA, a recovery rehabilitative center for women, with a history of substance abuse/homelessness, and their children. Dr. Numan is very involved in her immediate community and has served on various community boards including the Alameda County HIV Commission, and was a founding board member of the AIDS Project of the East Bay for several years. She was recently appointed to the Alameda County Public Health Commisison.
